ARTICLE 2. TRAVEL TICKETS AND ACTIVITIES

The list of Travel Tickets and Activities, their characteristics and the conditions under which they may be enjoyed are displayed in ADS's Sales Points (hereinafter the «Sales Points»), near or on the ticket machines operated by ADS (hereinafter the «Ticket Machines»), as well as on the web site <https://www.lesarcs-peiseyvallandry.com/fr/> (hereinafter the «Web Site»).

Travel Tickets and Activities are only valid for all or part of the summer season for which they have been ordered.

Travel Tickets are valid for one or more consecutive days on the dates shown on the Travel Tickets, except for «single ride» and «ten-ride» Travel Tickets which are valid for whatever opening day of the ski lifts during the summer season for which they have been purchased.

The «Tyrolian Slide» Activity can only be reserved for a specific date and time. The «video mapping» Activity does not need to be reserved. Equipment provided as part of the Activities cannot be hired separately from the Activities.

ARTICLE 3. SALES POINTS

Travel Tickets may be purchased in Sales Points and, in the case of a selection of them only, on the Web Site and from Ticket Machines. «Single ride» and «ten-ride» Travel Tickets, Travel Tickets valid for the whole summer season and «Paradiski day extension» Travel Tickets (granting access to the ski lifts operated by *La Société d'Aménagement de la station de La Plagne*) are not sold on the Web Site or Ticket Machines. «Ten-ride» Travel Tickets are sold in Sales Points, as well as in the Tourist Office of Arc 1600 and Arc 2000.

Activities may be reserved in Sales Points and on the Web Site.

The list, location and opening hours and days of the Sales Points and Ticket Machines can be seen on the Web Site.

Certain offers may be shown exclusively in Sales Points, on the Web Site or on Ticket Machines.

ARTICLE 4. ORDERING

The Client may not purchase more than fourteen Travel Tickets per order on the Web Site or from a Ticket Machine.

As indicated in [article 8](#), the Client placing an order on the Web Site may choose to receive by post the microchip card on which the Travel Ticket of entry ticket to an Activity is encoded. If they choose this option, they must order the Travel Ticket or entry ticket for an Activity at least seven clear days before its first use if it is to be sent to an address in metropolitan France or Corsica and at least ten clear days before its first use in other cases or it will not be possible to complete the order.

When ordering on the Web Site, the Client:

1. Selects the Travel Ticket or Tickets or the Activity or Activities they wish to order;
2. Checks their order, alters it if necessary then confirms it;
3. Creates a personal account (if they do not already have one) then enters the user name and password to access their personal account or chooses to order without creating a personal account and enters their e-mail address;
4. Provides the necessary information to personalise the Travel Tickets and entry tickets to Activities;
5. Accepts the Sales Conditions and conditions for use of the Travel Tickets and Activity Tickets;
6. Pays for their order.

Once the order has been paid for, the Client will receive an e-mail confirming their order.

ARTICLE 5. PHOTOGRAPH

When a Travel Ticket valid for the whole summer season is purchased, the Client must provide a photograph of the user of the Travel Ticket. It must be a recent identity photograph, full face, without tinted glasses or headdress.

ARTICLE 6. PRICES

The prices of Travel and Activity Tickets are displayed in Sales Points on or near Ticket Machines, on the Web Site, as well as in the *Club des sports d'Arc 1600* premises and the Arc 2000 Tourist Office.

They are expressed in Euros and with all taxes included. They are susceptible to alteration in the event of a change in these taxes.

Price reductions are applied on the basis of the individual adult or child prices. One price reduction is not cumulable with another price reduction.

If the Client wishes to benefit from a reduced price or free entry, at the time of purchasing the Travel Ticket or reserving the Activity in a Sales Point or from an ADS representative, they must present an original document certifying that the user of the Travel Ticket or the person for whom the Activity is being purchased fulfils the conditions for benefitting from the reduced price or free entry on the date the Travel Ticket becomes valid or the Activity begins. The user or the person for whom the activity is being purchased must be able to present this document at any time during the period of validity of the Travel Ticket or during the Activity, whether the Travel Ticket has been purchased or the Activity reserved in a Sales Point, on the Web Site or from a Ticket Machine. No printed or digital copy will be accepted.

No price reduction or free entry will be granted after the Travel Ticket has been purchased or the Activity reserved.

Unless otherwise stated, the price of Activities includes the provision of the equipment necessary to take part in the Activities.

The price of the «Tyrolean slide» Activity also includes the Travel Ticket enabling the user to take part in this Activity. However, the price of the «video mapping» Activity does not include any Travel Ticket. Consequently, if the person taking part in this Activity wishes to take a ski lift to enjoy the Activity, the Client must ensure that they possess a suitable Travel Ticket and, if necessary, purchase one in addition to reserving the Activity.

ARTICLE 7. PAYMENT

7.1. Currency

Payment for Travel Tickets and Activities must be made in Euros. However, the Client may pay in Sales Points in a currency other than Euros by making use of the DCC (Dynamic Currency Conversion) facility.

7.2. Means of payment

The means of payment accepted are:

- In Sales Points: credit and debit cards (*Carte Bleue*, Visa, Mastercard, American Express), cheques drawn on a bank account in France and made out in favour of ADS, cash up to the maximum permitted, ANCV holiday cheques in printed or digital form (Connect holiday cheques);
- On the Web Site: credit and debit cards (*Carte Bleue*, Visa, Mastercard, American Express), digital ANCV holiday cheques (Connect holiday cheques);
- In Ticket Machines: credit and debit cards (*Carte Bleue*, Visa, Mastercard).

When payment is made by cheque, the Client must show original proof of identity in their name.

Dividing payment between several means of payment is only possible for orders in Sales Points or on the Web Site (in this case, payment may be made partly by credit or debit card and partly by digital ANCV holiday cheques).

7.3. Payment in instalments

When ordering on the Web Site, the Client has the option of paying for their order in three instalments without fees or in four instalments with fees if the following conditions are fulfilled:

- The total amount of their order is for a minimum of 300 € inclusive of all taxes in the case of payment in three instalments (with no fees applied), and of 400 € inclusive of all taxes (before the application of fees) in the case of payment in four instalments;
- The total amount of their order is less than 5,000 € inclusive of all taxes;
- They place their order on the Web Site;
- They pay the full amount of their order by means of a credit or debit card issued by a banking establishment established within the European Union and valid until the final instalment of their order.

If the Client chooses to pay in three instalments, one third of the cost of their order will be debited to their card at the time of placing the order. The second third will be debited one month later to the same card the number of which the Client supplied at the time of the order. The balance will be debited one month after the second instalment to the same card.

If the Client chooses to pay in four instalments, a sum equal to 2.27% of the price of their order inclusive of all taxes is added to the cost by way of the fee. One quarter of the price plus the fee will be debited to the Client's card at the time of the order. The second quarter will be debited one month later to the card the number of which the Client supplied at the time of placing their order. The third quarter will be debited to the same card one month after the second quarter. The balance will be debited to the same card one month after the third quarter.

To benefit from payment in several instalments, the Client must choose this option during the ordering process. Payment is made through the Alma secure platform, the terms and conditions of which are available on the Web Site.

The Client must ensure that the amount of each instalment is within the limit authorised by their bank.

ARTICLE 8. ISSUE OF TRAVEL TICKETS AND ENTRY TICKETS TO ACTIVITIES

Every Travel Ticket or entry ticket to an Activity is issued in the form of a printed bar code (in the case of a purchase in Sales Points only), of a QR code or microchip card on which it is printed.

Bar codes, QR codes and microchip cards are supplied free of charge when purchasing a Travel Ticket or reserving an Activity.

If the Client has purchased a Travel Ticket or reserved an Activity in a Sales Point, the printed bar code or microchip card will be issued to them immediately in the Sales Point.

If the Client has purchased a Travel Ticket or reserved an Activity on the Web Site, the Travel Ticket or entry ticket to the Activity will be issued:

- In the form of a QR code, in which case the QR code will be sent to them immediately by email to the email address they have entered with their order;
- In the form of a microchip card, in which case the Client may request that the microchip card is sent to them by post or collect it from a Sales Point or a Ticket Machine.

If the Client has purchased a Travel Ticket from a Ticket Machine, the Travel Ticket or entry ticket to an Activity will be issued:

- In the form of a QR code, in which case the QR code will be sent to them immediately by email to the email address they have entered with their order;
- Or by the immediate issue of a microchip card by the Ticket Machine.

ARTICLE 9. RECHARGING TRAVEL TICKETS AND ENTRY TICKETS TO ACTIVITIES

The microchip card on which a Travel Ticket or entry ticket to an Activity is encoded can be recharged several times. A new Travel Ticket or new entry ticket to an Activity may thus be encoded on this card, except for Travel Tickets valid for the whole summer season.

Recharging can only be carried out on the Web Site, only Travel Tickets offered on the Web Site may be encoded on the card.

When a new Travel Ticket or a new entry ticket to an Activity is recorded on a card while the original Travel Ticket or entry ticket to an Activity is still valid, the original Travel Ticket or entry ticket to an Activity will be cancelled and may no longer be used and the Client will not be entitled to any compensation. The Client is therefore advised to wait until the Travel Ticket or entry ticket to an Activity encoded on their card has expired before registering a new Travel Ticket or entry ticket to an Activity on this card.

ARTICLE 10. PROOF OF PURCHASE

A proof of purchase (hereinafter the «Proof of Purchase») is issued to the Client when they purchase a Travel Ticket or pay for an Activity. In the case of a purchase on the Web Site, the Proof of Purchase is the email confirming the order.

The Client is advised to retain the Proof of Purchase throughout the validity of the corresponding Travel Ticket or entry ticket to an Activity. The Proof of Purchase will be required to claim compensation.

ARTICLE 11. AMENDING AN ORDER

The Client may amend their order without charge if the following conditions are met:

- The order was placed in a Sales Point or on the Web Site;
- The amendment may only be made to the validity date of the Travel Ticket purchased or the Activity reserved and the new validity date must be in the same summer season as the Travel Ticket originally purchased or the Activity originally reserved;
- The amendment does not affect the price of the Travel Ticket purchased or the Activity reserved;
- The amendment request is received by ADS no later than forty-eight hours before the Travel Ticket becomes valid or the start of the Activity;
- The Travel Ticket has not been used, even partially, or the person for whom the Activity has been reserved has not already taken part in the Activity, even partially including after having submitted the amendment request.

- The Travel Ticket has not been used, even partially, or the person for whom the Activity has been reserved has not already taken part in the Activity, even partially including after having submitted the cancellation request.

The Client's request must include:

- The reference of their order;
- Their surname, forename and postal address;
- The number of the microchip card on which the Travel Ticket or entry Ticket to an Activity is encoded.
- Their bank details if the order has been paid at least in part by digital ANCV holiday cheques or was made on a Ticket Machine.

The corresponding price of the cancelled Travel Ticket or Activity will be credited to the credit or debit card used to pay for the Travel Ticket or Activity, unless the Client requests otherwise. In the case of orders paid wholly or partially by digital ANVC holiday cheques, the portion of the price paid by these means will be refunded by bank transfer. Similarly, if the cancelled order was placed on a Ticket Machine, the sum due to the Client will be repaid by bank transfer.

As the refund is based on the price of the order in Euros, any variations in the exchange rate between the date of the order and the date of the refund will be borne by the Client. Postal charges incurred by the Client when notifying ADS will not be refunded.

ARTICLE 13. REFUND, EXCHANGE, EXTENSION OR POSTPONEMENT OF THE VALIDITY OF TRAVEL TICKETS OR ACTIVITIES

The Client, the user of the Travel Ticket or the person for whom an Activity has been reserved cannot benefit from any refund or exchange of the Travel Ticket or Activity, nor any extension or postponement of their validity, even if the Travel Ticket has not been used or has only partially been used or the person has not taken part in the Activity.

However, if an Activity which has been reserved through ADS or one of their representatives is cancelled by ADS, the Client may obtain the postponement of the Activity or the refund of their reservation.

To postpone an Activity, the Client must show the Proof of Purchase in a Sales Point.
